**SUBJECT: CALWORKS TIME LIMITS ROUNDTABLE FOR LOS ANGELES
COUNTY LEGISLATIVE DELEGATION**

I informed your Board on August 15 that as many as 20,000 adults are at risk of exhausting their five-year eligibility to CalWORKs cash aid effective January 2003. This is to advise you that my Department will be hosting an informational roundtable on CalWORKs time limits for Los Angeles County State Senators and Assembly Members and their staff.

My staff will make presentations and provide information on time limits, including demographics, impact to the County and services that my Department will provide to adults who time off CalWORKs. I have also extended an invitation to your respective social service deputies.

The roundtable is scheduled for Wednesday, September 4, 2002 at the El Monte District Office, 3350 Aerojet Avenue, El Monte, from 10:00 a.m. to 11:30 a.m.
